#### 1. RATE OF TAX

The rate of tax is determined from the total retail stores operated under the same general management, supervision, ownership or control, wherever located, including Gretna stores covered by this report. Refer to License Tax Schedule above.

#### 2. MEASURE OF TAX

The measure, or the amount of tax due the City of Gretna, is determined by applying the rate of tax to the total retail stores in Gretna.

#### 3. EXAMPLE

If an operator of a total of 36 retail stores located in Texas, New York, Alabama and Louisiana, operates 5 stores in Gretna, the amount of chain store tax would be computed as follows: The license tax schedule above shows that the rate of tax on a chain of between 35 and 50 stores is \$20.00 per Gretna store. Therefore, the amount of tax due would be 5 Gretna stores at \$20.00 each or a total of \$100.00.

#### 4. INTEREST AND PENALTY

If return is not filed and the tax paid before March First each year, there will be added to the tax interest at the rate of 15% per annum until paid and penalty at the rate of 5% for each thirty days or fraction thereof of delinquency not to exceed 25% in the aggregate.

#### 5. NEW STORES OPENED DURING TAXABLE YEAR

The rate for tax stores opened in the City of Gretna after January 1<sup>st</sup> shall be the same as though the new stores were added to the number in operation on January 1<sup>st</sup>.
