City of Gretna offices closed on Mardi Gras Day- Tuesday, March 4, 2025

All City of Gretna offices and buildings will be closed on Tuesday, March 4, 2025, in observance of Mardi Gras, and will reopen on Wednesday, March 5, at their regularly scheduled times. All City services will be suspended on 3/4 except for water emergencies, which may be reported to (504) 363-1540.

Although the River Birch offices will be closed on Tuesday, March 4, garbage service will take place as normally scheduled. However, we encourage residents who receive Tuesday pickup to place their trash out the previous evening or no later than 6:30 am the following morning, as River Birch anticipates providing very early service on Mardi Gras Day (3/4). Problems should be reported on Wednesday, March 5.

While all Gretna parks will remain open on Tuesday, March 4, the Mel Ott Multipurpose Center will be closed, and all organized recreation will be suspended.
